FEELING DULL?

Treat your skate blades to a sharpening!

For LTS skaters, a good sharpening is needed every 6-8 weeks. Avoid sharpening your blades right before a test or competition – otherwise your blades might be “too sharp”. Allow one practice session in between sharpening and testing or competing. Skate sharpening is offered by:

- Tri Town Arena, Rt 3A, Hooksett, NH (603-485-1100)
- The Sharper Edge, 50 Nancy Ave., Peabody, MA (888-54-SKATE)
- Cooke's Skate Supply, 446 Main St., Wilmington, MA (877-758-7467)
