SNHSC's Synchronized Skating Team "Simply in Synch" is BACK!

Come Join the Fun!

Who?

Any skater ages 7 – 17 who has passed Learn to Skate Basic 4 through USFS Pre Bronze Skating Skills (formerly Pre Juvenile Moves in the Field), Pre Bronze Singles (formerly Pre-Juvenile Freestyle) and up to two Bronze dances!

What?

A Synchronized Skating Team with SNHSC member skaters and coaches that practice on SNHSC ice and will represent SNHSC in at least one USFS competition in the 2024-2025 season.

Why?

To provide an opportunity for skaters to participate locally on a competitive and performance-based Synchronized Skating Team to build skating skills, foster confidence, improve teamwork, and encourage camaraderie - all in a safe, fun, supportive way!

When?

Weekly 90 min rehearsals from October, 2024 – January, 2025 with a performance in our Holiday Exhibition in December, a Synchronized Skating competition in January, and in the SNHSC's 60th Anniversary Ice Revue in March!

Where?

•Practice: Sunday mornings 8:30 – 10:00 am at St. Anselm's College

Want more info? Ready to join us? Contact Coach Teri and Coach Andrea M. at snhscsynchro@gmail.com

NEXT USFS Test Session:

Thursday, August 22, 2024

The Ice Den Arena –

9:00 – 1:30 pm

Registration opening soon!

www.snhsc.com

Happy Birthday to these SNHSC members celebrating in July!

Emily Corey – 7/11

Kerry Pilcher – 7/20

Happening NOW:

SNHSC Membership renewal is due for all Blue, Gold, and Bridge Members! Don't delay! Register today!

Up next:

~ September Ice – Monday evenings at the JFK! Watch for times!

~ Fall ice schedule, including our October Learn to Skate session – times and dates coming soon!

~ Fall Fundraising! Exciting opportunities – be watching for more details

~ "Junior" Board of Directors – for kids, by kids! Watch for more info about how you can serve on the JBOD!

As always, we are looking for volunteers to help with all aspects of running our programming! Have an hour a month to lend a hand? Join the "Can Do" Crew! Leave your name and contact info at the table if interested! Many hands make the work lighter and a lot more fun! Please consider lending yours!
