Thanks to all who participated in, donated to, or volunteered for our annual "Evening of Living and Giving"! A fabulous evening of skating memories and fun was had by all while raising awareness for the problem of food insecurity in NH.

Couldn't attend? We are still collecting donations of non-perishable food items through the evening of our **Holiday Exhibition, December 8!**

All items collected will be donated to the NH Food Bank in time for holiday distribution to those in need! Drop your donations at the registration desk. Help us reach our goal of delivering 500 lbs. of food to NHFB!

## Pizza Fundraiser!

"Simply in Synch", our synchronized skating team, is selling Little Caesar's pizza kits! Make any night "Pizza Night" in your house!

Kits contain everything you need to prepare a delicious homemade pizza for LOTS less than delivery, AND you can support our SNHSC Synchro Team, "Simply in Synch" in the process!

Want to help us sell? See the registration table for more details!
