

Toe Pick Talk

June 4 & 7, 2025

Welcome to our Spring Learn to Skate Session!

SNHSC Membership is available now!

What do you get with an SNHSC membership?

- Discounts on freestyle ice
- Membership with US Figure Skating. Skaters who are testing or competing will need to be members of USFS.
- Discounts on club merchandise.
- Access to Club Nights.
- Additional Annual Ice Revue performance opportunities.

SNHSC does our best to keep membership and program costs consistent from year to year, and we were fortunate to not have to raise our membership rates for the last several years. Due to increased costs from USFS and our rink partners, we had to raise our membership rates for this year. Gold and Blue level memberships were increased by \$10, and the Bridge membership was increased by \$5.

Register by June 15 to make the most of your 2025-2026 membership benefits. The new membership year begins on July 1.

Join today: snhsc.com

Happy Birthday to SNHSC members celebrating in June!

Coach Isabelle Carter – 6/7

Brigid Davis – 6/29

Carol Fabricant – 6/28

Coach Kim Koschek – 6/26

Sami Needham – 6/15

Calling all car washers! Join us for a car wash on Sunday, June 22

SNHSC is holding a car wash to raise money so we can continue to offer Learn to Skate and our programs without raising the price!

Details:

- Date: Sunday, June 22
- Time: 8:00 a.m. – Noon
- Location: Burger King, 737 Daniel Webster Hwy North, Manchester, NH

We need volunteers of all ages to hold signs and wash cars. Can't come for the whole time? Join us for an hour or two!

Learn to Skate skaters & parents: come join the fundraising fun! **SNHSC Skaters & Parents:** Get your 2025-2026 volunteer hours in early!

2nd Payments Are Due

If you chose the "Half Payment" option for the April – June session of Learn to Skate, the 2nd payment was due on June 1: snhsc.com/catchup.

Also, the 2nd installment for Freestyle, Ice Dance, Power/Edge, and Figures was due on May 15. Payments can be made to your account in [EntryEeze](#).

Good luck!

Good luck to all of the skaters testing on Thursday, June 12!

SK8GR8!
